CARE WITH NURSING

Hulcott Nursing Home is registered with the Commission for Social Care Inspection to provide both Nursing and Social Care to adults over 65. The home is conveniently located in an attractive countryside setting and is one of the counties most prestigious nursing homes.

Ideally situated by the A418 Hulcott is 25 miles from Oxford and 40 miles from London, making it easily accessible.

We provide the highest quality of care, always remembering that the home is our resident's home in every sense, with a friendly atmosphere in which our resident's can enjoy a very high quality of life.

We recognise that our nursing home must be totally dedicated to providing the very best of care at all times to every one of our residents, recognising individual needs and ensuring that care plans are tailored to meet each individual requirements.

To achieve this aim, Hulcott enjoys a full compliment of highly trained nurses and NVQ trained healthcare assistants who are on hand 24 hours a day. Our Nursing staff lead the way in providing professional, specialist care which is both flexible and comprehensive.

ACCOMODATION

Hulcott Nursing Home was originally designed by William Devey in 1862 and recent additions providing the maximum individual comfort. The superb accommodation comprises of both single and companion rooms all of which are en-suite. The furnishing has been carefully selected to create a homely and easy living environment which accommodates a person's changing needs and abilities. Residents are encouraged to make their bedrooms more personal by bringing in small items of furniture and other treasured possessions to complement their rooms and ease the disruption of moving.

LIFE AT HULCOTT

Life at Hulcott offers choice, and promotes independence. At Hulcott we provide a wide range of interesting and meaningful activities which are organised by our dedicated activities co-ordinator in conjunction with residents, to ensure that their personal tastes and preferences are accounted for in the planning process.

Special emphasis is placed on providing meaningful recreational activities, where residents are encouraged to maintain their hobbies, learn new ones and join local clubs and associations within the home and local community.

During summer months residents can enjoy splendid views from the quaint cottage style gardens, and for the more adventurous, the adjacent village green and local countryside walks provide the perfect location for an afternoon stroll.

At Hulcott, we fully recognise that friends and family are an important part of the care process, and as such operate an Open Visiting policy to ensure that friends and family can drop by at any time.
