

garden/courtyard and have a wide range of in house activities to suit everyone with daily events being organised by our activities coordinator and care staff. The activities programme includes arts and crafts, group activities, reminiscence therapy, music and movement, home baking, theme days and professional entertainment.

We have an "Open Visiting" policy at Ascot House, as we firmly believe the care process can only benefit through relatives and friend's involvement, relatives are also welcome to attend regular meetings and are welcome to join resident's for meals. We also offer the facilities of the home for relatives and friends to celebrate special occasions.

Our qualified catering staff prepare home cooked and nutritious meals, with all individual needs and requirements being provided for. Home Baking is our Chef's speciality and this is enjoyed by residents and relatives alike. Meals can be taken in the dining room or in the resident's own room if desired.

At Ascot House, we believe that the choice should always be "yours" whether you prefer to have the peace and quiet or join in with the active social programme both inside and outside the home.

Welcome to Ascot House Nursing Home

Ascot House Nursing Home is registered with Commission for Social Care Inspection to provide both Nursing and Social Care to older people suffering from age associated mental health conditions such as dementia and Alzheimer's disease.

The home is conveniently located in an established, tree lined residential street and is ideally positioned for local services, with a wide range of shops within easy walking distance.

We provide the highest quality of care, always remembering that the home is our resident's home in every sense, with a friendly atmosphere in which our resident's can enjoy a very high quality of life.

We recognise that our nursing home must be totally dedicated to providing the very highest standards of care at all times to every one our resident's, recognising individual needs and ensuring that care plans are tailored to meet each individuals requirements.

To achieve this aim, Ascot House enjoys a full compliment of highly trained nurses and NVQ trained healthcare assistants who are hand 24 hours a day. Our nursing staff lead the way in providing professional, specialist care which is both flexible and comprehensive.

Our staff are able to meet residents' total needs ranging from long term care to short term respite care. This philosophy of total nursing care also allows us to individually tailor care plans to encompass everyone's physical, medical, emotional, social and spiritual needs with key workers ensuring that a personalised approach is developed within each care plan.
