SAMANTHA BOOTY
HOME MANAGER

Welcome to Blenheim Court

Located in the beautiful village of Liss, with breath-taking views of the South Downs neighbouring the green acres of the Petersfield golf club.

I have been working within Caring Homes since the age of fifteen when I was employed as a kitchen assistant in a sister home. I have always wanted to work in care and with great mentorship and training my career developed and progressed to holding the Home Manager position at our nearby home in Liss.

As Home Manager at Blenheim Court, I am proud to lead my professional staff team in delivering the highest standards of residential, nursing and specialist dementia care for up to 60 elderly residents at Blenheim Court our stunning Hampshire home.

I take my responsibilities very seriously and am passionate to maintain a safe environment, promote the highest standard of care and make a positive difference to each and every resident's life.

Maintaining strong relationships with residents and their relatives is important to me and I understand the contribution that these relationships make to the successful running of a care home.

I am proactive in supporting the development and training provided by Caring Homes, which gives the care and all the services teams the skills to deliver quality care and the opportunity to progress their roles within the home and company.

I have continued with my personal development including Future Leaders, Coaching and Inspiring My World Leadership Programme which are all ILM accredited to make me a stronger leader to coach and mentor my colleagues to continue to provide quality in every aspect of care delivery.

Away from Blenheim Court, my busy life is filled with raising my family. Having grown up in the village of Liss, I am proud to be part of the strong local community and make Blenheim Court a focal point for the Liss community.
