DACRE LASSAUNIERE
HOME MANAGER

Welcome to Horsell Lodge

Horsell Lodge is a fantastic brand new purpose built care home with beautifully landscaped gardens in a tranquil setting.

As Home Manager of Horsell Lodge I lead a professional team in providing the highest standards of care for up to 70 residents with varying needs.

I bring over 10 years of experience as a Care Home Manager. I have a strong professional and business background which blend with my care expertise to give me a breadth of knowledge and understanding on how to provide safe, comfortable care at the highest standard.

I'm at my best when I'm caring for other people and I believe relationships are incredibly important, so I am personally involved in all of our residents' everyday lives.

One of the most rewarding aspects of my role is improving lives by supporting residents and their families.

Every resident we care for has a history and a story to tell and learning about their lives is a wonderful privilege.

Supporting and developing the team around me is also very important to me, as this enhances our residents' lives and drives outstanding care.

Outside of work I lead an active lifestyle as a keen cyclist who often takes part in charity cycle events of up to 100 miles and I enjoy playing the guitar in my spare time.
